Trap Team Code of Conduct

As a member of the Hastings High School Trap Team I understand that I have been given a unique privilege to participate in this high school sport. I promise to follow all of the rules as outlined by the State High School Trap League and those that my school has adopted. I will be respectful of all my fellow team members at all times and represent my school with pride whenever I am participating in a High School Trap & Skeet League event or activity. I am required to purchase, maintain and wear my assigned team jersey anytime I am shooting with my team mates or while attending any team & league events unless otherwise directed by my teams leadership. I will respect my coaches and follow their direction. I promise to make safety the number one priority whenever I am handling a firearm. I will not bring any firearms on any school property.

I understand that any misuse or violation of these rules could result in suspension of my shooting privileges with the team and possible permanent removal from the team roster.
